

The European funded Erasmus+ project “**SIMPLY INCLUDED - Social inclusion of migrants in vocational education and training**” (2019-1-DE02-KA202-006153), coordinated by KulturLife, has been implemented from 1st of December 2019 to 31st of May 2022 to **promote the social inclusion of migrants and refugees in the labour market and vocational education and training (VET)**.

The project consortium has developed:

- Pedagogical methods and materials (ToolKit) for VET teachers, based on the concept of cooperative learning together, which should lead to more diversity in the classroom.
- A VideoKit to support migrants and refugees to become aware of their strengths and competences and to present them in an innovative way on the European labour market.
- Video series with trainees, VET teachers and companies to raise awareness and sensitise companies and society for more diversity and inclusion.

All materials are free of charge and digitally accessible under the following QR code:
